CAMPUS WIDE ONLINE ROUND

- Students will receive a room selection time prior to the start of this round
- Students will be able to match online with roommates to prepare for the online round
- When their selection time arrives, they may sign into the system and select a room for their group if one has not yet been selected by another roommate for the group
- Students should edit their roommate matches if they would like to see different room type
- Once a room selection is made for the group, the selection is final. The group cannot change their roommate pairings or select another room
- Selection times will be between **March 25th - 29th**
